

## Demo Account Competition Terms.

- The competition is open to both new and existing clients, and a demo account will be automatically created upon completion of the registration process.
- The contest takes place on demo accounts.
- Trading is done individually, and each contestant trades independently.
- A virtual balance of **USD 10,000** will be credited to each demo account.
- Registration for each demo competition opens according to the dates listed on the registration page.
- The trading period for each demo competition starts according to the dates listed on the registration page, at market opening and closing times as per Market Equity platform time.
- Registration after the start of trading will qualify the participant for the next demo competition, but the current competition period will not be extended and will end on its scheduled date without any changes.
- The winner is determined based on the highest Equity achieved at the end date after closing all the positions/trades plus cancelling all orders.
- Each participant is allowed only one account. If multiple accounts belonging to the same person are discovered, all such accounts will be disqualified from the competition.
- In case of a tie, the winner will be selected based on the highest number of total closed standard lots at the time of the winner announcement.
- Any participant who has previously registered for and won any ranked prize in a past Market Equity Demo competition is not eligible to participate in this competition.
- The company reserves the right to suspend or disqualify any participant at any time without prior notice in the event of any unfair manipulation or exploitation of the contest.
- The contest is organized by Market Equity.
- By participating, the Client acknowledges full acceptance of all the terms and conditions of the Contest and waives any claim to real money, profits, or rewards granted by the Company, as this Contest is held on demo accounts only.

## Conditions for Receiving Prizes

- The prize or bonus value is credited to the winner's real trading account.
- To claim the bonus and any profits generated from it, 10 lots must be closed for every USD 100 of the bonus value.
- Deposits are allowed during the trading period while using the bonus.
- Profits generated from the bonus can only be withdrawn after the bonus conditions are fully met.
- The bonus is valid for **60 days** from the date of bonus maturity.
- Participants must be at least **18 years** of age, except for residents of the State of Kuwait, where participants must be 21 years of age or older at the time of registration.
- By entering the competition, each participant confirms that they meet the minimum age requirement and are legally authorized to participate in accordance with the applicable laws of their country of residence.
- If an existing client wins a prize and their trading account is linked to an IB (Introducing Broker) account, the client must open a new sub-account under the same name for the sole purpose of receiving the prize.
- **Market Equity Inc.** does not accept clients who are residents or citizens of the United States of America, Iran, North Korea, or Myanmar. Enhanced due diligence is conducted on clients from countries listed on the Financial Action Task Force (**FATF**) grey list. **Market Equity Inc.** reserves the right to restrict participation or prize eligibility based on internal compliance policies and applicable regulatory requirements.
